

CERTIFICATE

The Germanischer Lloyd Certification GmbH, 20457 Hamburg,
herewith certifies that the company

MAN Diesel & Turbo SE

Stadtbachstraße 1, 86224 Augsburg, Germany

has established and maintains an Environmental Management System relevant for

Development, design, sales, production, installation and servicing of diesel engines and turbochargers for ships and power plants in Augsburg as well as casting of nodular cast iron and grey cast iron components.

Germanischer Lloyd Certification GmbH has audited the company. Evidence was provided that the Environmental Management System fulfills the requirements of the following standard:

ISO 14001:2004

The validity of this certificate is subject to the company applying and maintaining its Environmental Management System in accordance with the standard indicated. This will be monitored by Germanischer Lloyd Certification GmbH.

The certificate is valid until May 29, 2013

Hamburg, May 30, 2010
