

How to find us in Villepinte

By train

The railway station is on the RER "B" line between ROISSY-C.D.G. Airport and PARIS. The stop is "Parc des Expositions" (first stop after Terminal 1 or second stop from Terminal 2).

Be carefull!

Some trains from ROISSY-C.D.G. are direct to PARIS "Gare du Nord" without stop. Make certain that your train really stops at "Parc des Expositions". This should be specified on the wall panel indicating all the stops before PARIS.

Trains leave every 15 min. at the maximum and the drive is of about 5 minutes. From PARIS ("Gare du Nord" station or "Chatelet" station, R.E.R. line) it takes about 30 min.

By Taxi

For drives by taxi from the Airport, it may happen that the driver refuses to make such a short run from the Airport: in that case, please take the train or phone us. From Paris downtown the taxi drive takes usually 45 min. (depending on the traffic conditions).
